

## GAMES, APPS, CDS AND DVDS

Retail productions are audio, audio visual or interactive productions for sale or rental to the general public, including:

- Films or games
- Online/mobile apps
- DVD, CD and vinyl products
- Covermount products

### NOTES

- If you are not licensing music within an app and require retail online usage (covering streaming and downloads) please refer to our Online Production rates.
- Looped and interactive use of music allow unlimited looping of a single cue in a production and is charged at double the per 30s. This option is available across all usages where no per track rates are offered. Just select the looped option on the Licence Manager system.
- Per game rates allow uncapped music usage for one flat rate.
- Aggregation is permitted on all per 30 second rates. Aggregation allows various music cues to be added together to produce a cumulative total.
